BOSCH
Invented for life

New & Improved Bosch Dishwasher Installation

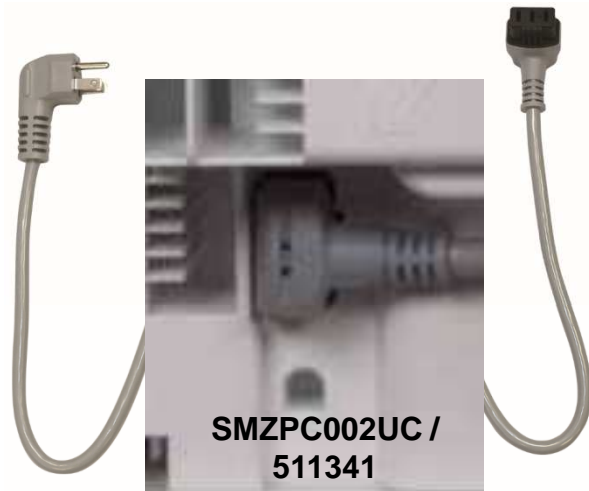

The new Bosch dishwasher line is full of new features. From our new 3rd rack to our deeper tub and 24/7 AquaStop® leak protection, over 100 engineers designed our new line-up of dishwashers to fit your customer's lifestyle. In addition, every full stainless steel tub dishwasher is now easier to install than ever before. Bosch dishwashers truly are Invented for Life. Below are some helpful tips for the installation of Bosch dishwashers.

Factory Installed: 3/8" Braided Water Supply Line

Factory Provided: Junction Box - Hardwire Applications

Accessory: 3-Prong Cord – Direct Plug-in Applications

Did you know?

- ❖ All Bosch dishwashers can be side mounted. Hardware is included with every dishwasher.
- ❖ Bosch full stainless steel tub dishwashers can be leveled with a set screw in the front of the unit.
- ❖ Though the new Bosch dishwashers are deeper, with proper installation, they will still install flush.
- ❖ Ensure that one part of the drain hose is at least 20" above the cabinet floor for proper drainage.
- ❖ Make sure the kickplate is secured properly with the screws supplied in the installation package.
- ❖ Bosch full stainless steel tub dishwashers have a fully enclosed base for quiet operation and leak protection.
