Introducing the NEW 800 Series Bosch Dishwasher....

Model # SHXN8U55UC (666829)

Available End of February

Features in common with other 800 series dishwashers:

- InfoLight®
- Touch Controls
- Detergent Tray
- Condensation Drying
- RackMatic®

Features Unique to This Model:

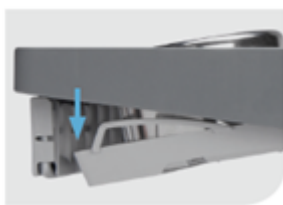

Quiet – 40 dBA

Bosch looks at noise reduction from every angle, incorporating 18 unique sound reducing technologies.

Rack Flexibility

With 4 upper & 4 lower flip tines, this model offers increased flexibility to load whatever size dishes the customer may have.

Flexible 3rd Rack

Expandable wings on our flexible 3rd rack provide extra height to fit ramekins, measuring cups and extra large utensils.

New Cycles

Pots & Pans – For heavily soiled dishes

Glass – For freshly soiled, delicate dishes

30 Minute Express – For lightly soiled dishes. Ideal for if you need to reuse dishes right away.

New Option

Save Time - Reduces cycle time by up to 25% while maintaining cleaning performance.

Tall Item Sprinkler

This accessory lets the customer remove the top basket in the dishwasher to allow extra height to wash taller items, such as cookie sheets, cutting boards or stock pots.

Stainless Steel Inlays

These inlays are featured on all 3 racks. They provide a high-end finish that customers expect when purchasing a premium dishwasher.

For any additional questions on this new dishwasher, please contact our product specialists through our sales support website: www.askboschlowes.com Live Chat: Mon-Fri 8:30AM to 6:00PM EST Outside of chat hours? Submit a question and receive a response within 24 Hours.

InfoLight®

Bosch dishwashers are so quiet, you may forget they're on. InfoLight® projects a red light onto the floor during the wash cycle that turns off when dishes are ready.

*Also a feature on 300 & 500 Series

RackMatic®

Adjust the upper rack in just one step, even when loaded. Adjusts to three different heights and allows for up to 9 rack positions for ultimate flexibility.

*Also a feature on 500 series

Detergent Tray

Optimized for tablets, this tray holds detergent in place for a dedicated spray jet to directly dissolve tablets and minimize spraying at the door.

*Also a feature on 300 & 500 series

Touch Control Technology

At the lightest touch, our extra responsive controls allow quick cycle and option programming.

Key Features – 500 Series Pocket Handle Dishwashers...

44 dBA

Pocket Handle

This pocket handle design can be easily integrated into any kitchen because of its brand neutral design.

*Stainless Steel pocket handle available in 300 & 800 series

Standard 3rd Rack

The v-shape of the rack provides the perfect space for large utensils, whisks & spatulas. An ingenious use of space that offers a total of 30% more loading area.

*Also a feature on 800 Series

AquaStop®

Our AquaStop® system contains leaks through a precisely engineered tub and sensor system that works with our solid molded base. If a leak has occurred, it shuts down operation and automatically pumps out water to avoid contact with the floor.

* Also a feature on 300 & 800 Series

Self-Latching Door

Our self latching door holds at the position you want it when you open your dishwasher and automatically shuts at less than 20°.

*Also a feature on 300 & 800 series

Don't forget about the Bosch Kitchen Suite – Buy 3 or more Bosch appliances and the customer receives a 10% rebate via a Visa gift card. See the askboschlowes.com website for details!
