800 Series Slide-in Ranges...

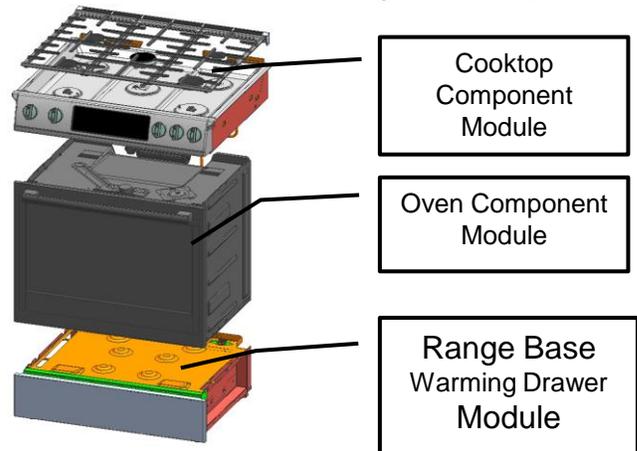

Does your customer love a sleek, built-in look but only have room for a range? Replace their freestanding range with a slide-in range without changing cabinetry or countertops. These sleek, full-depth ranges optimize counter space, offering five burners, ovens with European convection and a convenient warming drawer.

Full-depth Slide-in Ranges

- Fits into any free standing range cut out
- No filler strip needed
- Multiple fuel options: Gas, Electric and Dual Fuel
- Warming drawer on every model

Using components from our built-in products, we are able to offer a versatile range to fit in any kitchen

Advanced Circulation System

Description: A powerful 3rd heating element (2,000 W, 2 Coil surrounds the convection fan

Customer Benefit: Allows food to be cooked more evenly in up to 30% less time with optimized heat circulation
