Slide-in Ranges that fit in freestanding cut outs: No trim kit required!

Love a sleek, built-in look but only have room for a range? Replace your freestanding range to a slide-in range without changing cabinetry or countertops. These sleek, full-depth ranges optimize counter space, offering five burners, ovens with European convection and a convenient warming drawer.

Module Components

Using components for our built-in products we are able to offer a versatile range to fit in any kitchen

Advanced Circulation System (ACS)

A powerful third heating element (2,000 W, 2 coil) surrounds the convection fan that allows food to be cooked more evenly in up to 30% less time with optimized heat circulation
