## Features & Benefits

44 dBA: dishwasher runs quietly so your kitchen conversations aren't interrupted.

With PrecisionWash™, intelligent sensors and precision spray arms target every item of every load, so dishes come out sparkling clean every time.

The AquaStop® leak protection system contains leaks through a precisely engineered system. If a leak occurs, the system contains it by shutting down operation and pumping out water. So you have the ultimate peace of mind whether you are away or at home.
