The right fit and finish.

Bosch appliances are designed for form and function. Always flush installation delivers a seamless look for any kitchen project. In addition to classic stainless steel, we also offer a full suite of Black Stainless Steel appliances which help guard against scratches and fingerprints.
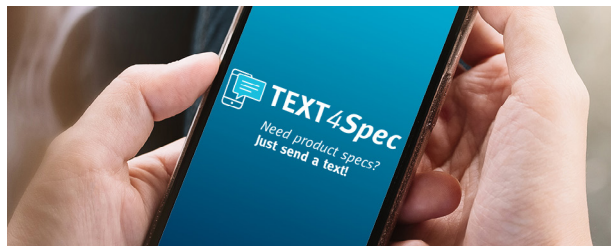

Compact Appliance Portfolio.

Our suite of compact 18" and 24" appliances deliver full-size features and premium performance – Bosch quality, in a smaller package designed to fit compact kitchen projects. Discover their benefits and get helpful tips on choosing the right small appliances for your project.

The Smart Kitchen with Home Connect.™

Smart homes help people stay in the know when it matters. That's why Bosch created a collection of connected appliances designed to make life easier. Home Connect™ allows a variety of smart home appliances to be remotely monitored and controlled with a single app, for a new level of ease and convenience from Bosch.
