### BottleFill Technology

Fill a glass or bottle once, press **BottleFill** to save the  
quantity, & enjoy a **hands-free** fill each time thereafter!

**Crescent Shaped Ice**  
Easily accessible from the external  
dispenser or...

...fill the full-width freezer drawer for  
times when you need extra ice available.

\*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals  
for brands identified in the US and Canada TraQline as freestanding French door bottom mount refrigerators.
