How to Find Accessories & Parts for Older Appliances

Dealers:

Use the appliance model number to find accessories and parts for older appliances. Items like water filters, dishwasher rack wheels, and oven racks can easily be found this way.

- 1) Log into your B2B One Portal account.
- 2) Enter the appliance Model Number (E-Number) into the search field. Be sure to add the /xx extension at the end. For example: HBL8442UC/01

3) To find accessories, click on ACCESSORIES

4) There are two ways to search for a part:

Click on EXPLODED VIEWS to view line diagrams of the appliance (parts are listed under each diagram)

–or–

Click on BILL OF MATERIALS to view a complete list of parts

5) If you can't view the exploded views or bill of materials, please contact your BSH District Sales Manager so your account can be updated to view those items.

Consumers:

1) Visit the brand website:

Bosch: www.bosch-home.com/us/shop

Gaggenau: www.gaggenau.com/us/appliances/eshop

Thermador: www.thermador.com/us/accessories

2) Click on PARTS

3) Enter the appliance Model Number (E-Number) into the search field. Be sure to add the /xx extension at the end. For example: HBL8442UC/01

4) You'll see a line diagram of the appliance and a list of parts below it
