## New Connected Features

## Simply Connected Ventilation.

Bosch chimney hoods with Home Connect™ offer intuitive connectivity, designed to help you take control of your day, in your own way.

### Cooktop-Hood Control

Enables you to control your Wi-Fi synced Bosch cooktop and hood at the touch of a button. Program your hood to automatically start the fan when you start cooking, customize a lighting design, change the fan speed from your smart device and more.

### Remote Diagnostics

Remote diagnostics allows for more efficient service solutions and the ultimate peace of mind. Smart support, smart solutions -- all within an app.
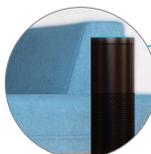

### Voice Control

Connect with your smart home. Use your voice assistant to bring the convenience of hands-free operation to your connected hood.

### Customize Settings

Personalize appliance settings such as lighting design, fan speed, shut-off timer, and filter tracking to your needs, all through the Home Connect™ app.

### Notifications

Optional push notifications alert you to when it is time to clean your grease filter or change your charcoal filter (for recirculated models).
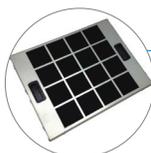

### Online Shop

Shop the accessories available for your cooktop with a link to the Bosch online shop to purchase
