

This Month: New Patented 24" Self Cleaning Condenser Dryer

America's only **PATENTED** Self Cleaning Condenser dryer cleverly uses condensation water to automatically clean itself. This ensures maximum efficiency of the condenser for the entire working life of the dryer—so you'll never need to clean the condenser. This is found exclusively on the 500 series dryer.

Home owner Benefits:

- Continuous, uninterrupted best drying performance over lifetime
- No utility sink needed
- Lower cost of ownership (energy/reliability)

Property Mgmt. / Development Benefits:

- Fewer service calls
- Lower cost of maintenance
- Longer product life
- Higher consumer satisfaction/ happy tenants

500 Series WTW87NH1UC
