# Home Connect™ Ventilation

## Connected Features:

### Simply Connected Ventilation.

Bosch chimney hoods with Home Connect™ offer intuitive connectivity, designed to help you take control of your day, in your own way.

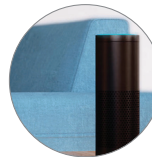

#### Cooktop-Hood Control

Enables you to control your Wi-Fi synced Bosch cooktop and hood at the touch of a button. Program your hood to automatically start the fan when you start cooking, customize a lighting design, change the fan speed from your smart device and more.

#### Remote Diagnostics

Remote diagnostics allows for more efficient service solutions and the ultimate peace of mind. Smart support, smart solutions -- all within an app.

#### Voice Control

Connect with your smart home. Use your voice assistant to bring the convenience of hands-free operation to your connected hood.

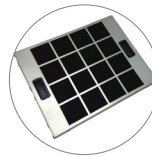

#### Customize Settings

Personalize appliance settings such as lighting design, fan speed, shut-off timer, and filter tracking to your needs, all through the Home Connect™ app.

#### Notifications

Optional push notifications alert you to when it is time to clean your grease filter or change your charcoal filter (for recirculated models).

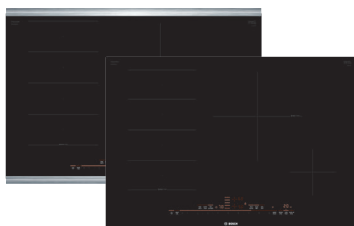

#### Online Shop

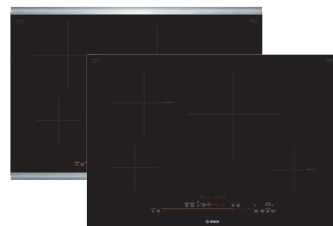

Shop the accessories available for your cooktop with a link to the Bosch online shop to purchase
