A smarter clean with PrecisionWash®
With Bosch PrecisionWash®, simply start your dishwasher and walk away. Intelligent sensors continually scan and check the progress of dishes throughout the cycle, and powerful, precision spray arms go to work targeting every item of every load.

Touch Controls

The touch control panel has been simplified to offer the cycles and options you use most--all at the touch of your fingertips. Additional cycles and options are available through the Home Connect app.

FlexSpace Tines

Flexspace Tines let you fold down every other tine in one simple step, so it's easier to hold different sized items

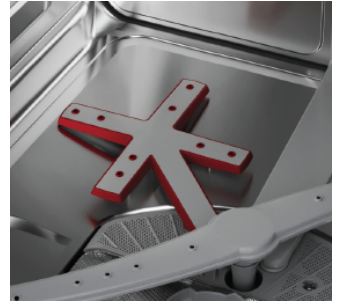

Loading flexibility with a 3rd rack dishwasher.

The Standard 3rd Rack provides the perfect space for flatware, large utensils, measuring cups. It's V shape leaves room below both sides for taller items like stemware in the middle rack.

Zone Wash

Zone Wash is a dedicated intensive wash zone that powers the Deep Clean cycle with an intense focus area in the lower rack, washing your challenging items with confidence.

EasyGlide

The EasyGlide rack system is redesigned to give you a smooth glide on all three racks—even when it's fully loaded

RackMatic

RackMatic adjustable middle rack easily adjusts to 9 different positions, to allow taller items like stemware to fit in the middle rack while leaving room for pots and pans below

Fresh air for more dry with AutoAir®

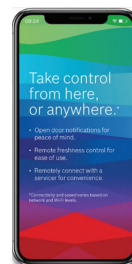

AutoAir® automatically opens the door at the end of the drying cycle allowing moisture to escape and fresh air to circulate for 40% drier dishes.

Did we mention a new anti-fingerprint stainless steel?

Prevent leaks with AquaStop®

An advanced leak prevention and containment system, AquaStop® features sensors that automatically close the water inlet and activate the drain pump if a possible leak is detected—even if you're not at home.

Enhance your cleaning experience with Wi-Fi enabled Home Connect®

Access additional wash cycles and options or choose the right one for your needs using Smart Cycle.
