A smarter clean with PrecisionWash®

With Bosch PrecisionWash®, simply start your dishwasher and walk away. Intelligent sensors continually scan and check the progress of dishes throughout the cycle, and powerful, precision spray arms go to work targeting every item of every load.

Plastic-safe PureDry® System

PureDry® is an energy efficient, closed drying system that does not pull in outside air and gently whisks moisture away from dishes as they cool. And with no exposed heating element, you can safely place plastics anywhere.

Did we mention a new anti-fingerprint stainless steel?

24/7 Overflow Protection System

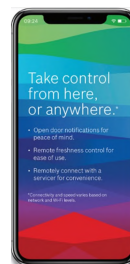

Bosch's exclusive 24/7 Overflow Protection System looks out for you even when the unit is off. If the water level ever gets too high, water is drained and the water inlet is closed.

Beautiful Full Stainless Steel Interior

Loading flexibility with a 3rd rack dishwasher.

The Standard 3rd Rack provides the perfect space for flatware, large utensils, measuring cups. It's V shape leaves room below both sides for taller items like stemware in the middle rack.

Enhance your cleaning experience with Wi-Fi enabled Home Connect®

Access additional wash cycles and options or choose the right one for your needs using Smart Cycle.
