

Bosch 300 Series French Door Refrigerators, only at Lowe's

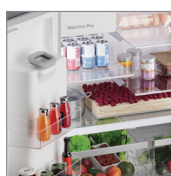

Introducing the Bosch 300 Series French Door refrigerators, designed exclusively for Lowe's, to make life a little more chill. These refrigerators feature the industry's fastest refrigerator ice maker¹ – the QuickIce Pro System™ that produces 10 lbs. of freshly filtered ice per day² and is easily accessible from the exterior refrigerator door. The external ice and water dispenser also accommodates oversized drink containers.

Anti-fingerprint stainless steel

Say goodbye to smudges and fingerprints with anti-fingerprint stainless steel.

LED Lighting

Brilliant LED lighting illuminates the refrigerator and freezer compartments providing visibility for all stored items.

Sleek Look

Sleek refrigerator handles and integrated freezer door handle fit into any kitchen to give you a premium look and feel.

Spacious Capacity and Storage Flexibility

Store groceries your way with adjustable shelves and door bins.

External Control Panel

The convenient external control panel allows you to control the features of your refrigerator with the touch of a button, and displays fridge and freezer temperature settings.

Control and monitor your refrigerator

Home Connect® enables you to control and monitor your Wi-fi enabled Refrigerator from your smart phone. Get helpful alerts, notifications, and tips & tricks for the ultimate convenience.

¹Bosch received the highest numerical score in the proprietary Lifestory Research 2019-2025 America's Most Trusted® Kitchen Brands studies. Study results are based on experiences and perceptions of people surveyed. Your experiences may vary. Visit www.lifestoryresearch.com.

²Based on single ice maker production rates during a 24-hour period, measured per IEC standard, manufacturer user's manuals and product specifications, for brands identified in US Yipit Top 10 as freestanding French door bottom mount refrigerators.

³Based on testing results for ice production during a 24 hour period when the ice bin was removed.

- Required Cutout Size (HxWxD): 70" x 36" x 25"
- Capacity: 26 cu. ft. total, 18 cu. ft. fridge, 8 cu. ft. freezer

Quick Facts:

- Dimensions (HxWxD): 70" x 35 5/8" x 31 1/8"
- Required Cutout Size (HxWxD): 70" x 36" x 25"
- Capacity: 21.6 cu. ft. total, 15.2 cu. ft. fridge, 6.4 cu. ft. freezer

Choose from standard or counter-depth

Our sleek, freestanding refrigerators are now available in both standard- and counter-depth. Counter-depth sits nearly flush with the countertop for a built-in look, whereas standard-depth offers over 4 cu. ft. more space for those needing a larger capacity.

Performance and Technology:

- Electronic controls provide precise temperature management, while MultiAirFlow™ and Air-Fresh® Filter reduce odor transfer and ensure consistent temperatures to maintain freshness.
- The UltraClarityPro® water filter reduces >99.9% of sediments that may be found in your water and ice.
- Fill your favorite container once, press bottle fill to save the quantity, and enjoy a hands-free fill each time thereafter.
- ENERGY STAR® certified for energy efficiency.
